Week 8, Term 4

26th November, 2012

Yearly Assessment Reports have now been completed and will be sent home next Monday by post.

Kindergarten students had an informative and enjoyable time visiting Narrandera Pre School, Narrandera Crèche and the Narrandera Park last Tuesday as part of their H.S.I.E. unit, 'Places and Spaces.' They thoroughly enjoyed catching up with old friends and impressed the Pre-school staff with their reading capabilities when they read stories to the Pre-school students.

Today we visited the Narrandera High School and worked in the Science Lab with Mr McClymont. We visited the Library and the Canteen. We could not believe that the High School was so big and you had to go upstairs. They have a really big playground too!

Tomorrow evening the Proud and Deadly Awards will be held at the Narrandera Public School for our Aboriginal students. Receiving recognition for their efforts this year are:

- Jarrah Murray - Kindergarten
- Atticus Ingram - Year 1
- Chelsea Seymour - Year 2

On Thursday this week we will be involved in performing at the Monster Street Party. We will be positioned outside JT AutoPro (next to the new Chemist) from 7.30 - 8.30pm. Our students are asked to wear Christmas clothes (red, green and white preferably). We will have Santa hats for everyone. As we are only a small school we need as many students as possible to come along and sing the Christmas songs we have been practising with Mrs Beaumont. Drinks, ice-blocks and snacks will be provided at no cost.

The following day we have been invited to participate in the Advent Pageant organised by our Scripture teacher, Mrs Helen McDermott. The students are asked to bring a biblical period costume to put on, tea towel, old sheet, belt, etc.. We will be leaving the school by bus (no cost) at 10.00am and returning by 12.00pm. Please complete the attached permission note and return it back to school by Friday.

Our end of year excursion is fast approaching, Monday 17th December. We will once again be going to Griffith to see a movie and have a game of bowls. At this stage we do not know what movie we will be seeing but more information and the costing will be in next weeks newsletter.

Year Two have been working hard with Marianne and Grace at the pool and are looking forward to their second week of their swimming lessons.

We still need more items for our Christmas raffles in the following three categories; Food, Pamper and Toy. If everyone brings something in it will be a great prize to win. The raffle will be drawn on our Presentation Day, Monday 10th December

Have a great week everyone

Soccer Clinic

At the stadium last Friday, the students enjoyed a Soccer Clinic held by Jamie Monteith.

Jamie comes from London and was previously employed as a coach for Arsenal Soccer Club. We were honoured he could attend and share his knowledge, expert skills and handy hints with us. Hopefully, we can convince Jamie to return again next year and by then I should be able to bribe him as he will be my son-in-law.
