Week 7, Term 4

19th November, 2013

This week we welcome to our school Aimee Dempsey. Aimee is a first year student from Charles Sturt University and she will be working in the Kindergarten classroom for the next two weeks.

There may be some slight disruptions and change of routines at our school over the next five weeks as the DEC and Public Works complete some modifications to our school in readiness for 2014.

The changes are as follows:

- ⇒ Removal of large Plane tree in teacher's car park
- ⇒ Construction of a disabled toilet
- ⇒ Removal of Library entrance steps and construction of a ramped entrance
- ⇒ Installation of ramped entrance to main building via middle steps and a ramped access to the toilet block
- ⇒ Installation of new carpet in Year 2 classroom.

We are not sure exactly when this work will commence but we wanted to provide parents with some prior notice.

Students enjoyed the Cricket Clinic run by Steve Weckert last Friday. Steve is hoping lots of students sign up to Milo Cricket this summer.

We have a big day coming up this Friday with our Advent Celebrations in East Street and Narrandera Park followed by our Family Fun evening at the Narrandera Fisheries.

Congratulations to Mrs Beaumont for organising another Book Fair for us. This was our most successful one yet selling \$1911.00 worth of books which meant our school receives \$668.85 of free books for our Library. Thank you parents for supporting the Book Fair so well.

Your child's school photograph has arrived, you may pick them up from the office.

Year 2 students commenced their 2 week intensive swimming program, run by qualified instructor Marianne Moellers this week. All students are very keen to get down to the pool.

Have a great week everyone and see you all on Friday night at the Fisheries between 6.00pm and 9.00pm.

Mrs Karen Babbs  
Principal

It is advisable for students with long hair to keep their hair tied up at all times while they are at school.
