Week 9, Term 1

24th March, 2015

Fire Safety:

What a fantastic opportunity for our students to participate in both local and rural fire safety workshops and demonstrations last week. Following our visit from the local fire brigade on Tuesday we were visited by Rachael and June from the NSW Rural Fire Service on Thursday. Living in a rural area and bordered by the Show Ground to the north and a vacant block to the east of our school, bush fire awareness is also very critical to us.

Permission Notes and Money:

Last week you received your first permission/money envelope that will now be used for all excursions and money collections. It is important to fill out the information correctly on the envelope before placing any money inside. All envelopes are to be posted in the collection box outside the front office window. No money is to be handed to the office staff.

The reasons for this are:

- ⇒ We don't keep change at school.
- ⇒ Money is often received with no explanation.
- ⇒ Permission notes are often left or misplaced in the classrooms.
- ⇒ The envelope, whether money is required or not is also the permission form

This is to streamline the whole process to make things easier for everyone and free up office staff in the mornings for other inquiries. Thank you for your support in this matter.

Fun Run:

I cannot believe how much the students have improved in both fitness and time since we first began our training for the Fun Run. Well done everyone! We are looking forward to lots of parents and friends coming along on Friday to cheer us on. Thank you Mrs Ash for pushing us so hard in our training in preparation for our day. Don't forget to get your sponsorship money in.

Altina Wildlife Park:

I'm not sure who is more excited, staff or students about visiting the Altina Wildlife Park next Tuesday. I know Mrs Amery and I have wanted to go there for so long. Please get your money and permission envelope in and thank you to the P&C for subsidising this excursion for us by paying our bus fare.

Have a great week everyone
Regards,
Karen Babbs - Principal

Easter Celebrations

Thank you to those families who have already sent in Easter Eggs for our raffle and who have already returned their raffle books. Many students have told us all about the hat they are making for the Easter Hat Parade. Remember this is to be done at home. We are looking forward to seeing parents and friends for a picnic lunch at 11.15 followed by our Parade and Raffles at 12.00.

Week 9, Term 1

Bush Fire Safety

The students had a very informative talk on Bush Fire Safety and what to do in an emergency. They participated in fire drills and even practised ringing 000 and reporting a fire. A very worthwhile and educational workshop by the NSW Rural Bush Fire Service.
