Week 2, Term 3

21st July, 2015

NAIDOC Week:

A big thank you to Anita, Genevieve, Stewart and Samantha for their commitment and support with our NAIDOC celebrations last week. All students thoroughly enjoyed the activities and learning about our local Wiradjuri people.

Kindergarten Transition:

Twenty-four eager little children and their families turned up in the cold, rainy weather for our first Transition last Thursday. Many children knew each other from the various pre-schools in our local community and those who didn't were soon made very welcome. We all went for a big walk around our school and met the other students and staff members. We were very keen to participate in the gymnastics session run by Mel and Bec. We have twenty-eight children enrolled in our Transition Program and we look forward to getting to know them all, and their families.

Gymnastics:

Mel and Bec, our two coaches this year were very impressed by both the behaviour and skills of all our students at our first gymnastics session last Thursday. The program runs for the entire ten weeks of Term Three. If you have not yet paid for the program for your child please do so as soon as possible.

Footsteps Dance:

Every afternoon this week, from 2.15 - 3.00, our students will be participating in the Footsteps Dance Program with instructor Jenni. Four dances will be taught throughout the week and on Friday parents are invited to come and watch the final session, which will be a culmination of all the dances.

Education Week:

Next week is Education Week. The theme this year is "Celebrating our Local Heroes." On Friday we will be holding our 2015 Athletics Carnival. Parents are invited to come along to assist and watch our "little heroes." During our lunch break we invite our parents in to the classrooms to look at student work and class displays. Parents are also invited to have a picnic lunch with their children at school. Tea and coffee will be provided.

Have a great week everyone and keep warm!
Regards,
Karen Babbs - Principal

This is a great opportunity for our students. We will be travelling over by bus and students will need to bring their lunch, recess and a drink with them on the day.

The cost is \$20.00 per student which is \$10.00 a ticket and \$10.00 for the bus.

Please fill in the permission envelope attached and return it back to school with the correct money.

We know this is an expensive term with Gymnastics and Footsteps Dance as well. If you have any concerns about this amount please see Mrs Amery at the office.

School Refund Policy

When excursions/performances are organized, every item has a cost - transport, venue etc. This total cost is then divided by the number of students attending this excursion/performance. On occasions there are unforeseen circumstances that may prevent your child from attending the event. If your child cannot attend because of a school error then your money will be refunded. **If the reason your child does not attend an event does not lie with the school, the school cannot be responsible for covering the loss of funds and therefore NO refund will be given.**
