Week 6, Term 3

18th August, 2015

School Absences

We certainly hope this week is a better one for our students and their families as last week we had many sick children, with flu like symptoms. If your child is absent from school for any reason please send in a note of explanation or phone the school within seven days as this is a legal requirement.

National Science Week

Making Waves - The Science of Light

This week Miss Pace is very excited because it is National Science Week and Science is her favourite subject! Kindergarten have been learning about what things are made of, Year One students about how things change and Year Two students have been having a great time learning about mixtures. Yesterday Mrs Levett set up a lot of different Science experiments in the Kinder room. All students had a great time working with the items and seeing how things change or work in different situations.

Today we had a visit from Mr Damian McClymont (Hamish's dad) who is the Science Head Teacher at Narrandera High School. Mr McClymont showed us some interesting and loud materials that change when we mix them together.

Eisteddfod

On Thursday this week Mrs Davis, Mrs Levett and Kindergarten will be performing in the percussion section at the Leeton Eisteddfod. Students have been practising very hard and we wish them all the best on stage.

Kinder students are to wear full winter uniform on Thursday - NOT sports uniform.

Staff Changes

Mrs Margaret Turnbull will be working in the front office from Tuesday to Friday this week as Mrs Amery is attending the SASSPA Conference in Sydney. I will be attending the Regional Principal's Conference in Wagga on Thursday and Friday.

Book Week - Books Light Up Our World

All classes will be visiting the Narrandera Library on Monday to hear Book Week stories. There is no cost for this and permission is covered by the town permission note you signed at the start of the year.

National Science Week: Making Waves - the Science of Light

Science at its best in Kindergarten and didn't the students enjoy it! Actually the adults in the room thoroughly enjoyed it as well. Thank you Mrs Levett.

Congratulations
Sebastien Warren and Eden Lilford on receiving your Principal Awards.
