Principal's news

Hi Everyone!

We were blessed by the weather today for our annual school photos. All the students came to school looking especially groomed and I look forward to seeing the final product. I was a very proud Principal when my School Education Director, Mr Troy Mott, arrived whilst we were having our whole school photograph taken. He was most impressed!

I want to communicate a couple of student wellbeing practices we are implementing this term. Firstly we are starting Bike Club again on Tuesday, Wednesday and Thursday mornings. I am very excited to a part of this initiative and I would like to thank Mrs Beaumont and Mr Beaumont for getting the bikes roadworthy and ready. We are also part way through construction of our on-site bike track for all our riders still on training wheels or not yet confident enough to ride around town, this should be completed at the end of this week and ready to use next week.

Secondly we have started 'structured play' activities during lunchtime. Our SASS and SLSO staff are working in pairs to deliver 4 different activities. This term they are making teepees, vegie gardening, bike riding, and educational Minecraft. Each day one sporting group gets to go to that day's activity, participation is optional not compulsory.

Book Week is next week with students coming dressed up for the book week parade on Wednesday starting at 9:00am, parents are able and welcome to watch from the front fence of the school.

A reminder also our Bookfair arrives next Monday and will be setup in the foyer for 2 weeks. This is a great opportunity to buy quality books as stocking fillers or presents as Christmas is only 9 weeks away. If you would like to purchase a book or two and donate them to the school library that would be most appreciative and a sticker bearing your child's name will be placed inside the front cover.

Have a great week everyone!

Major P&C Raffle

The P&C will be running a major raffle in term 4 to make up for the unfortunate cancellation of our fete due to Covid.

The raffle will be for a 10.2 8Gen wifi 32g Apple iPad. The funds raised from the raffle will go directly to helping complete the bike track which is currently being constructed at the school. Tickets are \$5 each and will be sold in local businesses around town as well as being sent home for students and families to sell.

If you sell all your tickets and want more you can get them from the front office. The raffle will be drawn on Presentation Day, Monday 30th Nov.

We encourage all students and families to do their best selling tickets and when they are sold return the raffle tickets and money to the front office.

Tickets attached to newsletter.

Good luck everyone!
