No fruit & vegie day

Education

Principal's news

Hello Everyone

It's been great to hear of some farmers getting started with harvest this week, let's hope the weather is kind to them as they reap their rewards after many years of hardship on the land. Narrandera's largest contributor to our local economy is still Agriculture, many of our students will go on to be farmers, agronomists, biologists, or work in retail, real estate, research, stock and station and logistics. Other than these careers, the secondary and tertiary jobs that are created through our solid agricultural industry are numerous and diverse. After living on the land my whole life, I am acutely aware of the trials and triumphs that come with this life and I wish you all my very best for harvest 2020.

Thank you to those who completed the survey on communication between school and home, and how our information is circulated. The survey results will be analysed over the coming weeks and any changes for 2021 will be communicated well in advance. Our aim is to simplify communication within a closed platform.

We will be conducting a short Remembrance Day Commemoration Service at the front of the school this Wednesday, 11th November, at 11:00am in memory of all service men and women who have sacrificed so much so that we can live the lives we do today. If you wish to join us from the front of the school you are more than welcome.

During my time at Boree Creek Public School, I made strong connections with Vic and Sarah McEwan who run 'The CAD Factory', and own a recording studio not far out of Narrandera. We collaborated on several projects together which always resulted in stronger community ties and a greater appreciation for the arts in general. Through this established connection, I will be engaging their services with our school. On Wednesday, 18th November, we are taking eight Year 2 students out to their studio for a day of musical recording and expertise! I have screened each child and have selected the eight based on their ability to sing in tune, as well as their compliance with our school values. See attached note if your child has been selected.

The final recording will be heard publicly for the first time at our end of year Presentation Day. At this stage we will be live streaming this event, however, if COVID restrictions continue to ease, parents and friends will be able to attend. This decision will not be made until the week before Monday 30th November. Please plan to keep that day free as we would love to have you attend should we be able to finally open our doors again!

Finally, I am really looking forward to Friday's NAIDOC week celebrations. We have 6 activities planned for the students to rotate between, ranging from art, music, drama, games, cooking and the local council has also provided us with a large sheet to paint handprints to go into the town library along with other students in Narrandera schools.

Have a great week everyone
Liss Routley
Principal

Awards for week 4, term 4

Kindergarten

Tyler Pearson

Thinking like a mathematician

Alexis Barber

Trying to sound out words

Matthew Sharp

Improved story writing

Year 1

Chloe Flack

Counting by 10's with coins

Lachlan Morris

Reading well in L3 groups

Raine Wines-Anderson

Clever work with money

Casey Quince

Knowing the values of our coins

Year 2

Lachlan Weir

Great participation in Halloween & Melbourne Cup activities

Isaiah Cottom

Great participation in Halloween & Melbourne Cup activities

Charlie Jessett

Great participation in Halloween & Melbourne Cup activities

Science awards

Kinder - Jack Manley

Sharing facts about lifecycles

Year 1 - Azalea Light

Changing material shapes

Year 2 - Ava Rhodes

Working co-operatively in groups

Art/Craft awards

Kinder - Alexis Barber

Great paper tearing skills

Year 1 - Connor Tyrrell

Careful paper tearing to create a collage

Year 2 - Ryder Longford

A great start on his collage

Teriyaki Chicken		Chicken Cutlets	
Chicken & Avocado		Vegetable & Mayo	
Smoked Salmon		Tuna & Mayo	
Japanese Chicken Curry with Rice		TOTAL	\$

Orders to be returned with correct money by **Wednesday 11th November**

Major Raffle

The P&C will be running a major raffle in term 4 to make up for the unfortunate cancellation of our fete due to Covid.

The raffle will be for a 10.2 8th Gen wifi 32g Apple iPad. The funds raised from the raffle will go directly to helping complete the bike track which is currently being constructed at the school. Tickets are \$5 each and will be sold in local businesses around town as well as being sent home for students and families to sell.

If you sell all your tickets and want more you can get them from the front office. The raffle will be drawn on Presentation Day, Monday 30th Nov.

We encourage all students and families to do their best selling tickets and when they are sold return the raffle tickets and money to the front office.

Ticket books are available at the front office if you require more to sell. Good luck everyone!
