Education

## Principal's news

Hello everyone

We have had a particularly busy week with many different things happening. Most importantly, all teachers have been very dedicated in writing your child's progress reports for Semester 2. I have read through all reports and am very pleased to see the comments and growth in each individual student. Please take the time to read through these reports thoroughly and share them with your children. If you wish to speak to your child's teacher regarding the reports or any other matter, we can arrange an interview before the end of the year. Please contact the front office if this is important to you, otherwise we will be conducting our first round of parent teacher interviews mid term 1, 2021.

Last week I was privileged to be a part of a musical project culmination that we have been working on all year. The song '**On Wiradjuri Land**' has been sung, had actions created to go with the words, and finally professionally recorded with eight year 2 students at the CAD Factory near Boree Creek. I played the backing music on piano, collaborating with Logan Ingram on vocals and Neville Bamblett on didgeridoo to produce a spine-tingling introduction to our song. The students were all exceptionally well behaved, very respectful of Aboriginal culture and learned a lot about what goes on behind the scenes of a recorded song! This song will be released on...

### Presentation Day – Monday 30<sup>th</sup> November.

I have made the decision to hold the Presentation Day on school grounds. The most exciting announcement I have been able to make all year is undoubtedly- **it will be open to parents, close family members or friends of students!!!** However, we will be staggering each year group's time in the morning so that only one group of parents / friends will be in the school grounds at a time. We will be insisting that families do not come in to the school until their allocated time, and also once the presentations are finished we will be asking you to move on without mingling to allow us to clean surfaces before the next group. Families that have siblings in consecutive classes (eg. Kinder and Year 1, or Year 1 and Year 2) can remain in school grounds during change over, but not if their children are in Kinder and Year 2, they will need to move out and back in.

Kindergarten 9:00am – 9:40am

Year 1 9:50am - 10:30am

Year 2 10:40am -11:20am

There will be no morning tea afterwards.

The Narrandera pool operator has informed us their works are still in progress in which case **we will NOT BE HAVING SWIM SCHOOL FOR YEAR 2 THIS YEAR**. We are however still hoping our whole school (no parents) visit to the pool on Monday 14<sup>th</sup> December will still go ahead, we will advise you of any changes in advance.

Have a great week everyone  
Liss Routley  
Principal

## Awards for week 6, term 4

### Kindergarten

**Callie Whillans**

Pushing through when challenged

**Accalia Newitt**

Recording data successfully

**Billy Jess**

Remembering finger spaces
