**Principal's news**

Hello All

I was a very proud leader of our school during Friday's Fun Run! I was encouraged by all our staff taking a role on the day, even our GA Glenn Madden got a job cooking the sausages! A special thanks must go to Mrs Ash for organising the event, well done Colleen! The students were spectacular on the day- so much good sportsmanship, healthy competitiveness, and encouragement of each other. And finally to the parents and carers! So many of you turned up to show your support for your children and their friends, and helped raise a whopping \$5389.75, a new record I believe, well done everyone.

The results of the change of afternoon bus time survey are finalised with 78% in favour. The next phase is a 5 week trial which will start next term, and in week 4 we will re-survey everyone before we make our final decision. The changed bell time of 3:05pm will only continue after week 5, term 3 if there is still an overwhelming majority in favour after the trial. Please make every effort during the trial to adjust to the new time and if you need any assistance please contact me at school.

We are drawing to the end of what has been a most unusual term, but through all the adversity we have all risen above, and kept the focus on the students in our care and what's best for them. We thank you all for making the time for Parent/Teacher Interviews last week, I feel that home-school relations are at a high after the COVID-19 restrictions. Your child's educational outcomes will be much more successful if positive respectful relations are maintained between home and school.

**Remember that students return to school on Wednesday 22nd July and school will end at 3.05pm on that day.**

Enjoy some well earned downtime these holidays, take care.
